

Immediate assistance to recover failed systems

Last Updated Thursday, 13 August 2009

We provide on-call support at your location to resolve your difficult problems. Our experience allows us to quickly evaluate your problem and resolve it on the spot. Frequently, we can fix things right away and have you up and running in short order. our work is 100% guaranteed.

Once we get your immediate problem resolved, we can give you a quick overview of other things related to your equipment and environment which could be improved and what needs to be done to maximize your equipment for best performance.

Maccimizer is a commercial service, and we do charge for support.

Call us at 714.836.1191 for an immediate consultation or send us a quick email and we'll get back to you promptly (phone calls and pages will get a faster response, if it's a crisis situation).
